WE PRESENT THE 1959 TIDE!

"Now to fresh woods and pastures new," our yearbook theme, applied to our 1959 TIDE staff. To many of us, the production of a yearbook was an entirely new and exciting experience. In spite of this, we put aside our misgivings proceeded to publish a book, which we hope is a true representation of Marshfield High School.

In behalf of the TIDE staff, I would like to extend our sincere thanks to Mrs. Etelman and Miss Ellard, both of whom contributed much time and effort to make this 1959 TIDE a success.

I would also like to thank those who had some part, large or small, in the production of this yearbook--THE 1959 TIDE.

Sincerely,
June Stevens

DEDICATION

There are two bright eyes in room six--
A smile very near to a laugh
A mind that entertains the most profound notions
About philosophy, youth, and life.
There is a pair of busy feet and ten diligent fingers
Working together for one purpose--the student
His activities, his interests, his troubles,
There is the firm voice that summons all to attention
But beneath this exterior is all good intention.
Everyone who knows her, knows her well;
Most beloved, Mrs. Etelman, we thank you!

Then there is a sprightly person
Full of fun and ability
Always ready to lend a helping hand
While administering business subjects with fidelity
The Senior class will always be thankful
Remembering the Sophomore play and yearbook
Remembering the cheerful smile
The considerations and unselfish effort.
We will always remember you with gratefulness
Most beloved, Miss Ellard!

Superintendent
Edwin Albert Martinson

B.S., Tufts University
M.A. in Education, Tufts University

As you approach the conclusions of your public school career, you should be reminded that there is only one difference between the successful person and the unsuccessful person. They both have ideas, but the successful person does something with them.

The unsuccessful person fails because he sets up a pattern of wishful thinking rather than purposeful action.

Sincerely,

Edwin A. Martinson

M. Education, Boston University

As friends we have dwelt in Marshfield's wooded hills and valleys and traveled through the pastures of intellectual growth and development. Now you face the great span of adult years, leaving behind you the familiar and beloved paths of youth. As you depart, remember that you carry with you a part of Marshfield High School. Just as we have given much to you, so have you given a part of yourself which will always remain here--your spirit! You join a long line of alumni who, since 1888, have distinguished the name of your ALMA MATER. In leaving we ask of you not fame or fortune, but rather that at all times you strive to think, to work, to live your lives in a manner representative of the high ideals and standards which exist in our school.

Keep good character as your most cherished possession and serve others as we have tried to serve you. We expect no more of you; we wish only happiness for you.

Sincerely,

James P. Romeo

SCHOOL SONG

THERE'S A SCHOOL WE ALL HAVE LEARNED TO KNOW, IT'S THE
GOOD OLD MARSHFIELD HIGH; WHERE THE TEAMS ALL SHOW THEM
HOW TO GO AND THE STUDENTS STAND RIGHT BY; WE WILL SING
TO-DAY AND CHEER A-WAY FOR OUR COLORS GREEN AND WHITE,
WE'RE THE SCHOOL THAT KEEPS THE PEP UP, AND THE MEMBERS
STRIVE FOR RIGHT: WE'LL THEN BE TRUE TO YOU, THE SCHOOL
WE LOVE, AS THROUGH EACH YEAR WE GO; FOR WE WILL KEEP
IN MIND AND STRIVE TO HOLD THE STANDARD OF OUR SCHOOL;
AND AS WE SWING A-LONG WE'LL SING OUR SONG OF GOOD TIMES
WE HAVE HAD, SO HERE'S TO OUR SCHOOL DAYS, AND TO THE
GOOD OLD MARSHFIELD HIGH.

V. Caswell, P. Frugoli, D. DeMulder, M. Brown, Mrs. Brown, Adviser, A. Burkhardt.

We started our Junior year with great ambitions. On September 8, under the supervision of Mrs. Brown, we held a class meeting to elect officers. We chose Andy Burkhardt to conduct the meeting and Virginia Caswell to assist him. Margaret Brown ably compiled our minutes, while Diane DeMulder kept our class history. How many times did we hear Pat Frugoli frantically plead with her fellow classmates to pay their dues?

We elected Joan Rankin, Bobby Stengel, and Brad Stephens to the Student Council; Brad Stephens became the council president.

We organized a Ways and Means Committee which met with the class officers to discuss our one serious problem --money! We quickly pounced on the idea of selling Christmas cards and candy. Proceeds helped replenish our deflated treasury.

Next on our program was full attention to our new subjects. Will we ever forget the heartbreaks over those gruelling courses of Chemistry and Algebra II? What would we have done without the after-school help of Mr. Sargent and Mr. Scott? However, in spite of seeming obstacles, some of our class members managed to brighten the first honor roll while others lighted up the second honor roll.

Our big events of the year were the junior Prom and the Senior Reception.

CLASS OF 1961

The election of class officers, under the guidance of Miss Ellard, adviser, started off our sophomore year. George Michael became President; George Ketchum, Vice-President; Anne Kelley, Secretary; Mary Cobb, Treasurer; and Joanne Shepherd, Historian. The three Student Council representatives chosen were: Lloyd Hobbs, William Furness, and Roy Ellsworth.

Since we had not used any of our finances for activities during our freshman year, a pleasing sum awaited us upon our return to school as sophomores. By selling candy at football and basketball games, we added needed money to the treasury. Some of this money, however, we spent on our first dance, held in December.

We were proud to see various members of our class participating in these outside activities: football, field hockey, basketball, softball, baseball, track, and cheerleading.

G. Ketchum, M. Cobb, A. Kelley, Miss Ellard--Adviser, J. Shepherd, G. Michael.

As our sophomore year is now ending, we think back happily to the many good times at old M.H.S., and look ahead to the many more good times at our new M.H.S!

ROW I: J. Ryan, M. Cobb, D. Amore, A. Fosdick, S. Clark, D. Doroni, M. Fader, A. Creamer. ROW II: Miss Ellard--adviser, J. Emery, C. Dean, J. Domineau, R. Courcy, C. Davis, T. Ahearn, R. Blackman, W. Bernhart, J. Brinkman. ROW III: R. Egan, E. Gurrie, T. Davis, S. Clark, M. Davis, J. Beckwith, R. Ellsworth, P. Creamer.

J. Rowe, M. Dubois, Mr. Scott--adviser, S. O'Brien, D. Drake, J. Atwater.

We held our first class meeting in the gymnasium because of the size of our class. Correctly and orderly (parliamentary procedure), we elected our class officers: President, Jeff Rowe; Vice-President, David Drake; Secretary, Mabel Dubois; Treasurer, Steven O'Brien; Historian, Jane Atwater.

Freshman activities were soon under way with the freshman Glee Club, J.V. Football, Field Hockey, and last, but not least, the freshman job: To sell coke at all the home football games. Several members of our class were in the band and on the cheerleading squad.

We will be the first class to go into the new High School as Freshmen and come out as Seniors. (Graduated we hope!)

On September 3, 1958 we arrived full of expectations and resolutions for the next year (and the coming three)! Shortly after our GRAND ENTRY, we received many DO'S and DON'TS and our schedules. After a brief wait, which seemed like eternity, we shuttled off to our respective first period classes. Our high school life began!

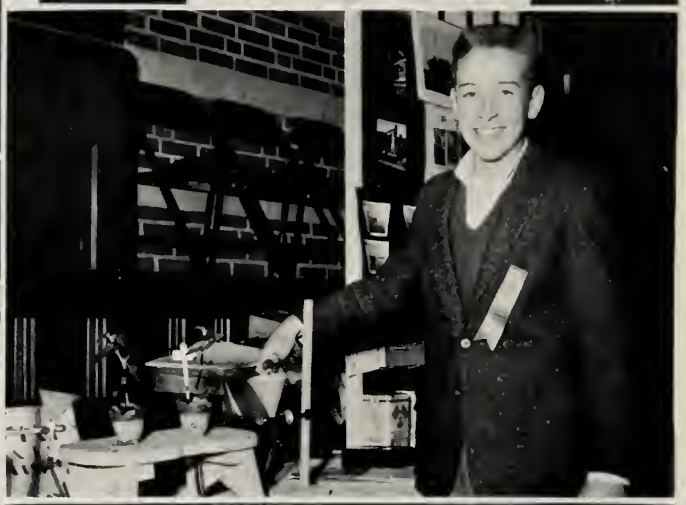
SCIENCE FAIR SPOTLIGHTS



That this is the age of science there is no doubt. Our present spurt and advance in the extension of scientific research again predicts technological developments beyond the day-by-day dreams of most of us. Speed--acceleration--and more speed--are the symbols of social and scientific present day trends. Our Science Fair affords the Marshfield community a place to view and appreciate the endeavors of our youth.

STUDENT COUNCIL

The students of Marshfield High School are very fortunate to have an active, progressive Student Council which acts as a medium between the student body and the administration and faculty. Performing its duties as the official diplomatic corps of the school, the Council invites guest speakers, and its members act as escorts and hosts for visitors. At all times, the Council works on promoting and preserving good school spirit.

A model of American government in miniature, the Student Council is comprised of elected representatives from each home room and organization, plus the four class vice-presidents who automatically become members on their election. Council membership is viewed as an honor to be upheld and respected at all times.

Under the direction of Council Sponsor, Thomas F. Grady, the members receive instruction in parliamentary procedure and elementary public speaking, both during the meetings, and at assemblies and rallies which the Council plans.

Through its Council, Marshfield High School has been awarded membership in the Southeastern Massachusetts Branch of Association Student Councils, the Associated Student Councils of Massachusetts, and the National Association of Student Councils.

Induction of Council members takes place in front of the student body assembled, immediately following their election in the fall. In the pledge of office, they promise to extend the good name of their school and council by their speech, demeanor, and actions; to yield a cheerful obedience to all lawful authority; and to offer constant opposition to all influences which could be harmful to their fellow students. They pledge themselves to the principles of fair democratic government.

NATIONAL HONOR SOCIETY

Membership in the National Honor Society is the highest honor a student at Marshfield High School can receive. Honor Society members are elected by a faculty committee on the basis of their scholarship, character, service, and leadership. In turn, the Society strives to promote these high standards in the student body.

Last spring seven senior class members were elected to receive membership. They were: Jane Allen, Paul Smith, June Stevens, Josiah Strandberg, Lynda Taylor, Mary McGuire, and Janice Coughlan.

This spring these seven members elected their officers. They are: President, Paul Smith; Vice-President, June Stevens; Secretary, Mary McGuire; Treasurer, Josiah Strandberg; Student Council Representative, Janice Coughlan.

On October 6, 1958, five other senior class members were inducted into the Society. They were; Constance Ela, Jean Flagg, Marcia Paulding and Rita Reily. The ceremony was impressive and it gave an outline of the student's philosophy at Marshfield High.

In November, at Scituate High School, four of our members attended a discussion about the Honor Society. Representatives from several of the High Schools in the area attended. This discussion proved very informative.

Once a member, a National Honor Society Scholar becomes eligible for the society scholarships. In the Spring of this year, we will hold an induction ceremony for new members.

MARSHALAIRS

In the fall of 1956, this group became known as the Marshalairs. Since then, year after year, the organization has proved itself to be a wonderful singing group. The outstanding performance of the "Messiah" last year verified this fact.

In order to be a member of the group each person must audition for Mr. Cowgill, our director. The student must be willing to give up free periods, for we meet each day during the two free periods before lunch.

At the end of each school year the seniors in the group give up their seats to the then-sophomores who sing with the remainder of the group at the graduation exercises.

Much work is necessary in order to perfect tone and to gain facility in singing difficult selections. Festivals are important highlights of the musical year. These festivals include the New England and the All State, and the Southeastern Massachusetts Chorus. With hard work we feel that Marshfield will be well represented in these festivals.

The Marshalairs are very grateful to Mr. Cowgill who has shown us how much we may gain through the beauty of music.

BAND

As each year passes, the Marshfield High School Band members have many memories upon which to look back. These remembrances are made up of music, hard work, and fun under the direction of Mr. Cowgill, our band director. In the fall we played at all the pep rallies and at the majority of the football games. We certainly hope that our music, marching, and cheering boosted the team's morale! At the Veteran's Day Assembly our director introduced a new instrument group to the school, the Brass Choir. On Veteran's Day the band marched in the parade.

At the beginning of the new semester the band started practicing for the many spring activities. Among these were the Annual New England Music Festival and the All-State Band Music Festival. A few of our members also rehearsed devotedly for the annual SEMSBA Concert.

The band's annual Spring Concert was once again a tremendous success. Preceding this success were many long hours of practice and perhaps just before curtain time sudden attacks of stage fright.

Then the parades began again as we marched at the Annual Southeastern Massachusetts Festival. Despite our blistered feet none of us wanted to miss this fun-filled day! As May came to a close, and also our school and band year, we marched in the Memorial Day Parade. This parade had a special significance to our Senior members, for it was the last band activity of their high school days.

We will miss these Seniors, but time marches on! Our very special thanks go to our wonderful director, Mr. Cowgill!

FRESHMAN GLEE CLUB

Invaders from Mars . . . a Chinese school on examination day . . . or was it creatures from the Black Lagoon at supper time? None of these although it sounded like all three . . . it was the freshman glee club warming up on their first Monday meeting.

Since that fateful September day, many things have changed. Mr. Cowgill has shown us how to read notes at SIGHT. I say, shown us, because although we have improved considerably, we do not exactly sound like the Marshalairs. Much to our surprise we also found that we had not been breathing for the last fourteen years . . . well at least not properly. It seems breath is supposed to come from the DIAPHRAM. After attempting this a few times, most of us were convinced we did not have one!

In spite of these difficulties, we can now make the "Song of Galilee" sound like a song. And we do fairly well on "Carol of the Bells" (of course most of the words consist of ding-dong ding-dong).

However, if anyone can make us sound like a chorus, it is Mr. Cowgill. His patience and ability seem endless . . . maybe we will be Marshalairs some day . . .

ROW 1: G. Tougas, P. Sweinimer, J. Coit, P. Brandt, P. Lopes, J. Barbeau, L. Hobbs, R. Perkins, J. Shepherd, C. Ranaghan, K. Klinger, M. Fader, L. Cowell, B. D'Amato, J. Coughlan, and M. Dubois. GENERAL GLEE CLUB

Singing in the Glee Club is fun. It is thrilling when we all get together in harmony which, incidentally, is not very often. Our director and coach, Mr. Cowgill, is still trying to get many of us to co-ordinate our vocal chords with the written music.

The General Glee Club is in preparation for the Marshalaires. It consists of Sophomores, Juniors, and Seniors.

We have been working on scales and a few simple songs. We hope to go on to more difficult music as soon as we learn to read it. Our accompanists, Janice Coughlan and Mable DuBois, are very patient about banging out the same notes over and over until we finally hit the right ones.

Mr. Cowgill, a most able director, has helped us a great deal this year. We hope he hasn't been too discouraged by our musical shortcomings. We sound much better now than we did in September, and we are trying harder all the time.

MAJORETTES

No band is complete without a skilled group of majorettes. Our band has six skilled Majorettes who perform during the half time at football games, at athletic rallies, and at some school assemblies. The Majorettes lead the band in the parade on Veterans Day and in the parade on Memorial Day.

This year the Majorettes appeared in new uniforms made by one of the mothers. The leader wears a white uniform with gold trim, and the others wear green uniforms with white trim. The addition of epaulettes and mandarin collars to the new uniforms make them more military looking.

The Majorettes take a great pride in their very difficult work. They always look for unusual routines. This year, at a number of football games, they twirled two batons. The excellent cooperation of the girls in practicing faithfully every Wednesday, Thursday, and Friday morning has resulted in top performance. The Majorettes are one of the most colorful precision groups on the South Shore.

The following Majorettes have worked together for five years; they look forward to one more year's work as a group: Jane Tradd, Janice Emery, Linda Mann, Diane DeMulder, Deidre Bullard, and Karan Hazard.

LIBRARIANS

Today's high school library is recognized as indispensable to the educational system of a modern school. Despite the many obstacles in our present situation (the present library functions as homeroom, study hall, lunchroom, and spectator area at functions) the student librarians have served the students' library needs effectively. Naturally it is with anticipation and pleasure that they look forward to the REAL library in the NEW SCHOOL!

The library is the service center of the school. It serves not only the teachers and students, but also the departments and activities. Under the leadership of Lee Baldwin, senior, the student group has given valuable study-period time to serve the school-library needs.

Another senior, Kenneth Johnson, represents the group at student council meetings, where he is able to voice the librarians' position in school matters. At the same time, he is the liaison librarian to bring related problems to the attention of the librarians and to their adviser, Mrs. Etelman.

One important project facing the group this year is the sorting, packing, and moving materials on hand, necessary when the new school opens. The word SERVICE is indeed related to the librarians and the library.

MONITORS

Monitors play a very important part in controlling the traffic flow in our school system. On duty between every class period, our monitors see to it that the halls are uncongested.

TRAFFIC JAM--Where are the MONITORS?

To be chosen to serve as a monitor is not only a duty, but an honor. The senior Honor Society members are all monitors. The junior monitors, students who are in excellent academic standing, are gaining needed experience for their duties in the new Marshfield High next year. The monitors have meetings when necessary to discuss rules and to refresh themselves on general instructions. Paul Smith, the president of the National Honor Society, is the head monitor.

The monitors' main project this year is to diagram the layout of the new school and to acquaint themselves thoroughly with the locations of all the rooms. In all probability, the monitors will participate actively in the orientation program which is necessary upon entering a new school.

The monitors look forward to performing their duties in the new school. They realize that a great honor and responsibility has been bestowed upon them. Happy days to the monitors and students in the new modern MARSHFIELD HIGH SCHOOL!

SCIENCE CLUB

As we eagerly filed into the Chemistry Laboratory for our first science club meeting, Mr. Sargent, our capable adviser, explained the purpose of the club:

1. To increase our knowledge of science
2. To acquire and perfect our skills in science
3. To serve our community and our nation
4. To understand the importance of science in our lives
5. To help carry out the program of the science clubs of America.

He further explained that all Marshfield High School members were eligible for membership in the national organization. We elected as our officers:

President . . . . . Jeffrey Lang
Vice-President . . . Andrew Burkhardt
Secretary . . . . . Lynda Taylor
Treasurer . . . . . Kenneth Johnson
Librarian . . . . . Robert Stengel
Reporter . . . . . Jo Burgoyne

The club invites new members to join. It hopes to play an important part in the Science Fair, which is one of the outstanding educational school activities.

BUSINESS CLUB

In November, a group of seventy-six students, under the direction of Mr. Stanley A. Jackson, gathered to form the first Business Club at Marshfield High School. A constitution, drafted and accepted, set forth these purposes:

To develop character and train for useful citizenship.

To participate in cooperative effort.

To encourage improvement in scholarship and promote school loyalty.

The group took as its first project, the organization of a real business. Thus, the Marshfield Leathercraft Company came into being. The students meet after school once a week and start with raw leather and eventually complete a product to sell. Shares of stock have been sold and the company is presently in a solvent state. The club meets once a month. Plans are under way for a dance. A banquet will close the year's activities.

It looks as if this will be one of the more active clubs at Marshfield High School.

Scores Four Touchdowns in 34-6 Triumph; Ron Newman in 68 Yard Run

The Green of Marshfield and the Maroon of West Bridgewater were quickly covered with a coating of slippery mud yesterday afternoon when the visitors topped the Westies at their home field by a score of 34-6.

Late in the second period Marshfield recovered a fumble on its own 40. On the third play in this series Fanseca passed to end John Hubbard for a score. The play covered 56 yards. Once again the pass for the points was incomplete.

Holbrook HS Defeated by Marshfield

Marshfield High continued on the unbeaten grid trail as they won a 20 to 0 decision over stubborn Holbrook at High school field in Holbrook Saturday. Except for three key plays, the game was played on fairly even terms. These plays involved three of the Hilltoppers and were responsible for the three touchdowns. The trio, Ed Fonseca, Bob Stengel and John Hubbard spelled the difference.

FIELD HOCKEY

Co-captains Connie Ela and Marcia Thomas led the field hockey team through another thrilling successful year. The defense play of the two senior fullbacks, Janice Coughlan and Frances Hale, and senior center-half, Marcia Thomas, helped to keep the opponents' scores to zero. Only one team managed to score against us, our worthy opponent, Scituate. Since the varsity team will lose but five members at graduation, we anticipate another strong team next fall. Coupled with experienced underclassmen is a strong Junior Varsity team which also had an exciting season, winning eight games and tying two.

As in the past, the hockey team won a championship, sharing the honors with Duxbury and Scituate. Our coach, Miss Vanasse, inspired us at all times.

The following varsity games and scores made the season a memorable one:

Marshfield 2	Hingham	0
Marshfield 4	Hull	0
Marshfield 6	W. Bridgewater	0

Thriller for Marshfield

A basket by Ed Fonseca and a foul shot by Brad Stephens in the last minute and a half gave undefeated Marshfield High a thrilling 58-57 victory over Holbrook at Marshfield yesterday.

Marshfield, the Eastern Division's unbeaten pacesetter with a 6-0 record, protected its unblemished record by jolting Cohasset, 93-40, in its most recent start.

Open with 21-Point Lead

Marshfield scored 21 points before Cohasset finally dropped one in. At the end of the first quarter Marshfield led by 23 points. This lead was too much for Cohasset team to overcome and Marshfield took the last three quarters by three, seven and 20 points, respectively, for the easy 93-40 victory.

John Hubbard scored 17 points, Bob Fernandes 11 and Nangle, 11, also Bob Fernandes did well on defense for Marshfield. Clark Chatterton was high scorer for Cohasset with six goals and two fouls for a total of 14 points.

GIRLS' BASKETBALL

The Marshfield Girls' basketball squad in the 1958-1959 season elected Janice Coughlan and Judy Barbeau as co-captains. Lead by their coach, Miss Mary Vanasse, and six varsity players: Janice Coughlan, Judy Barbeau, Gail Sheehan, Diane DeMulder, Janice Moran, and Marcia Thomas, the team began the season with an exciting victory over the alumni--score: 42-30. With ease and confidence the varsity team played its first inter-scholastic games:

Jan. 6 Holbrook-24,	Marshfield - 39
Jan. 13 Scituate-37,	" 43
Jan. 15 Hingham-35,	" 37

With this auspicious beginning, it appears reasonable to predict another successful season and we hope, another banner. Much credit goes to our captains, our squad, and especially to our capable coach. Though this is the first year at Marshfield for Miss Vanasse, her encouragement, her understanding, and her quiet strong manner are most gratifying. Thank you, Miss Vanasse, and may your years at M. H. S. be both happy and successful!

BASEBALL

Marshfield High School's Baseball picture looked bright in the spring of 1958, with six lettermen returning from the previous year's championship team. The new team had a strong start winning its first four games. One of these games was with Scituate, our arch rival, whom we eventually trounced 7-4. We suffered our first defeat at the hands of the Hanoverians by a score of 2-1. Later on we avenged this defeat as we turned the tables on Hanover and beat them 2-1.

After tying with Scituate and Hanover for the championship of the South Shore League, we were allowed to enter the Eastern Massachusetts Class C Tournament. In our first game we defeated Sacred Heart of Newton. At the same time Scituate had eliminated Hanover, and we in turn defeated Scituate, thus bringing Marshfield the South Shore League Championship.

With the thrill of victory spurring us on we downed Yarmouth and were scheduled to meet Merrimac in the finals. At Newton High School field we laced Merrimac 4-0 behind the six hit pitching of Jim Tingley. Besides winning the Class C Title, Marshfield placed two boys on the All-Class C Team: they were secondbaseman, Larry Nangle and pitcher, Jim Tingley.

With eight lettermen returning, another bright season is forecast for the 1959 season.

SOFTBALL

With visions and hopes and wishes galore,
We placed ourselves upon the field and waited for the score,
Because of the good luck we had had all last season,
Our heads swelled two miles out--and we were sure, for good reason:
We had a mighty pitcher, Pat Frugoli was her name--
And a wary first, Jan Coughlan, on whom we relied most every game,
There was Gail on second, and Diane on third,
Shortstop, Barbeau--and with Bullard catching--lose?? absurd!

And then as fielders were Karen, Anne, and Joan--
Always on the run--yet never an audible moan.
Martha fielded--Henrietta caught--and Fran pitched a great deal--.
It seemed to take us till the end to get into the "feel"--
So with all over seeming good points--our sportsmanship--our spirit--
We lost five and won three--We should have guessed it would have happened--should've feared it.
Our co-captains through all were Barbeau and Hale.
The record follows on this sentence's tail.

TRACK

Marshfield's 1958 debut into league competition was a very successful one. The team finished with a 5-2 record. It placed third in the Southeastern conference. Much credit goes to Coach Marshall for his expert training given the boys. Using the Marshfield Fair Grounds as a home field, Coach Marshall began workouts in April in preparation for the opening meet with Norwell, which Marshfield won in an exciting "Come from behind" finish. The team easily won its next four meets, defeating Silver Lake, Scituate, Bridgewater, pre-season league champion favorites. Although the boys played well, Marshfield suffered its first setback of the season.

Marshfield's last regular season meet was with undefeated Holbrook. The scoring was nip and tuck all the way with Holbrook finally winning by a slight margin despite outstanding performances by Ed Fonseca, Larry Nangle, Kevin Leary, Doug Wicher, and Carl Nielson. A matter of three inches in the broad jump kept Marshfield from tying her first place in the league.

The team then prepared the big post season meets. In the Weymouth Interscholastics the Rams finished out of seventeen schools attending. Carl Nielson was first in the pole vaulting event, Kevin Leary first in the discus event, and Larry Nangle second in the 440.

On May 24, a few Marshfield boys were sent to the state meet in Boston. Of these, Carl Nielson was the only Marshfield boy to score. In the Southeastern Conference meet Marshfield finished third. Carl Nielson set a new league record in winning the pole vault. The last meet of the year was the Principals Meet at North Easton, Massachusetts. In this event Larry Nangle set a South Shore record in the 440.

The team is looking forward to next years track season and has high hopes of improving this years fine record.

ROW I: Jane Grattan, Mary Beth Murphy, Nancy Rand. ROW II: Pat Meserve, Lee Baldwin, Marcia Paulding, Martha Hayes, Ann Lennon.

CHEERLEADERS

A loud and peppy "Give us an 'M'" initiated the cheering activities for the 1958-1959 season. Throughout the football season, regardless of the cold, the snow, and the wet fields, the Cheerleaders led the loyal rooters on to victory after victory. To add drama and color, Dorothy Anne Foote became our charming little mascot.

In addition to the regulars on the squad the following girls became substitutes and helped out wherever and whenever there was the need: Marie-Elaine Brazao, Dawn Foote, Gail Rein, Brenda MacDonald, and Jane Atwater. Those who gained regular berths to the squad were: Nancy Rand, Jane Gratton, and Martha Hayes. Squad members from the previous season were: Captain Beth Murphy, Lee Baldwin, Marcia Paulding, Ann Lennon, and Pat Meserve.

The group have carried on throughout the entire year. Their spectacular routines sparked the cheering at the basketball games too. It's been a great season!

Our happy days and years in this, OUR SCHOOL, soon to be known as the old Marshfield High, are almost over. The class of 1959 goes "tomorrow to fresh woods and pastures new." It is with both regret and joy that we leave: regret that our gay youthful years in high school are over, joy that the FUTURE beckons brightly!
